

FAYETTEVILLE PUBLIC LIBRARY

More than 1,000 Audiobooks for Adults, Teens, and Kids!
Checkout 10 titles for 2 weeks.
Multi-use titles means no waiting!

How to Download Audiobooks from OneClickdigital (Online)

1. From faylib.org homepage click on Books and More, Downloadable Audiobooks and Ebooks, then click on OneClickdigital.
2. Click Create New Account in the top right. Select the appropriate operating system of your computer.
3. Choose to use the OneClickdigital Media Manager and then choose the appropriate device type. (If you will only be listening to audiobooks on your computer select 'Other' for device type.)
4. Fill in the required personal information. You will be asked to create a username and password.
5. You should be prompted to download and install the OneClickdigital Media Manager. Follow the prompts provided.
6. Log In with the username and password you created.
7. Return to the OneClickdigital website. Search for a title that you would like to download. Click on the cover.
8. Click Checkout Now! The download will start automatically and the Media Manager should open.
9. Your title will be displayed under Check Outs.

How to Transfer an Audiobook from OneClickdigital Media Manager to any device

1. Download the title you wish to transfer to the OneClickdigital Media Manager.
2. Plug your device into your computer.
3. Once your device has been recognized click Transfer.
4. Follow the prompts.

How To Return an Item Early

1. Go to www.faylib.org and click on Books and More, Downloadable Audiobooks and Ebooks, and then click on OneClickdigital.
2. Log in and click My Collections.
3. Under Checked Out find the title you want to return.
4. Click Return Now.
5. Your page will refresh and the title will disappear.

How To Download an Item from the OneClickdigital App

You must create your account online and then sign into the mobile app to checkout and listen to audiobooks.

1. Go to your app store and search for OneClickdigital.
2. Download, install, and open the app.
3. Log in using the account you created online.
4. If you have checked out items online already, they should load and be available at this time. If not, click Download All.
5. To checkout an item, click Browse More Titles.
6. Select a title you wish to listen to. Click Checkout Now!
7. The title will download into your app and is ready to listen to.
