\* Based on average total cost Fayetteville residents pay annually in property taxes for the library. Calculated by dividing annual revenue to the library from property taxes by estimated number of Fayetteville dwelling units and divided by US census bureau's average family size for the City of Fayetteville. Due to millage rate changes, the 2015 calculation was adjusted to reflect the new millage rate. This new rate is to be reviewed every three years and rounded to the nearest ten.

\* Processing fees are non-refundable.
